There appears therefore to be no need to fix a year's probation in the latter's case while only six months' probation was fixed in the former's case. She might be started on Rs. 300 on 6 months' probation as in the case of Miss Albuquerque, the number of Asstt. surgeons in the Ladies' cadre being correspondingly increased by one.

"Miss. Michael possesses good qualifications - M.B., & C.M., of Madras and L.R.C.P., and M.R.C.S., plus L.M. of Rotunda. 5. The file having been next circulated to the other Members of Council with the approval of the Dewan, the Second Member agreed in my view, while the First Member suggested the Financial Secretary being consulted as the appointment meant extra expenditure to the State.

Page 64 & notes.
Page 68 notes.

44)

6. The Financial Secretary who was accordingly consulted expressed himself against the creation of an additional appointment in the present state of the finances and suggested that, if there was no vacancy in the women's cadre, any vacancy in the men's cadre might be temporarily used for the purpose.

Page 66 & notes.

45)

- 6 -

7. Thereupon, I recorded the following opinion on the proposal of the Financial Secretary:-

"We cannot as proposed utilise a vacancy in the men's cadre for this purpose This will frustrate the object with which a separate cadre for women doctors was formed. There is provision in the Government Order of the 27th July 1920 for adding to or varying the number in the women's cadre according to the exigencies of the service. We cannot afford to lose the services of a duly qualified lady doctor of the stamp of Miss Michael. We want a doctor of this stamp for Shimoga. The appointment may be sanctioned as a special case."

Sir,

With reference to your letter No.G.1094-Med.11-20-2, dated 16th July 1920, calling for a report on the application of one Miss. D.K.F. Michael, I have the honor to state as follows.

From this office files it is seen that Miss. Michael after passing the M.B., C.M., Degree Examination of the Madras University in 1914, applied for a Foreign Scholarship, to enable her to go to England in the following year and proposed to ~~xx~~ undergo a three years' course there, one year for the L.R.C.P. and M.R.C.S., of London, one year for the L.M. of Rotunda and one year on the continent. From her application it is seen that she was in England for 4½ years within which time she has only obtained the L.R.C.P., and M.R.C.S. of London and the L.M. of Rotunda, which is not much. With her M.B., C.M. of Madras she could have done the M.R.C.S. and L.R.C.P. in one year and if she had the capacity~~xx~~ she could have taken the F.R.C.S. in another three years. Her ~~xxxxx~~ attendance at the Ophthalmic Hospital does not court for much.

But she seems to have had a very successful career at Madras where she is reported to have stood first in the M.B., C.M., Degree Examination. I would therefore recommend her being given a start as a 1st Grade Assistant Surgeon on Rs. 300/- per mensem, like Miss. Albuquerque, who also possesses the qualifi-
